March 2024

From the Office

Dear Families,

March is here and we are looking forward to spring weather and many fun events! It is going to be a fun month including special activities such as Daddy Day, St. Patrick's Day, and Easter!

We are looking forward to our celebration of Daddy Day! Since our school year ends in May, we traditionally celebrate Father's Day in March. Please check your email for important details such as date and time. Also, please

be sure to RSVP to your child's teacher so that we know who is coming. Each child is permitted to bring one adult. If the father is not able to attend, we welcome the child to choose a different special guest such as a grandfather or uncle.

Our class Easter parties will take place on 3/21 and 3/22. Your child's teacher will let you know about any items needed for the party. If you would like to volunteer at the party/egg hunt, please be sure to sign up with your

child's teacher. Your clearances must be on file in order to volunteer. If you need to obtain your clearances, please email me and I will send directions.

Do you know someone who is looking for a quality preschool program for their child? Please refer them to our program! We do have a few spaces remaining in our Tuesday/Thursday classes for September. We appreciate you spreading the word about Zion Preschool!

Sincerely,

Dawn Platchek

Director

please turn in your child's camp form as soon as possible. If spaces become open in weeks that are currently full, we will offer them to families on the waiting

list. If you reserved a space in camp that you can no longer use, please let us know as soon as possible. Thank you!

Benefits of Reading

Did you know that reading out loud to your child is one of the most important things you can do to help prepare your child for Kindergarten? Here are just a few of the benefits that your child receives when you read together-

- New vocabulary is introduced.
- Your child can “visit” or learn about places (both real and fantasy) that he/she has not visited in person.
- Reading strengthens the bond between the parent and child.
- Your child’s attention span and ability to focus improves through hearing stories.
- By seeing an adult read, your child starts to get the connection that printed words have meaning.
- Children who are read to regularly tend to form a love of books!

Take a little time each day to read to your child.

Zion Lutheran Church News

Community Service Project-

Zion Church and Preschool will be working together on a Lenten Project to collect non-perishable food items to donate to the Phoenixville and Spring City Food Pantry. We will collect items until 3/22. Please feel free to bring any items to donate with your child at drop off or pick up times. Thank you for your generosity.

Bible Study Group-

On March 11 & 25 from 6:30-7:30 pm, there will be an adult Bible study and child Bible study. The focus of these groups will be the life of Jesus during the Lenten season. Everyone is welcome to attend these sessions!

Easter Egg Hunt-

On Saturday, March 30th at 11 am, Zion Church will be hosting an egg hunt for youth of all ages. Preschool children and siblings are invited to attend. We are currently accepting donations of individually wrapped, peanut free candy for this event. If you are willing to donate a bag of candy, please send it in with your child. Thank you!
